Sanitizer stands, foot pedal with 1L bottle

Sanitizer stands with 1L bottle, spray or gel nozzle. (Empty bottle included)

Two sizes available, 1230mm and 920 for children. The stands are powder coated. Current lead time is between 7-14 days depending on the order quantity. Delivery can be arranged at additional cost.

This is perfect for shops, schools, sidewalks, shopping centers, and workplaces.

A no touch system is key to this design, eliminating the need to pick up a bottle and possible cross contamination.
